GRADUATION!!!!

Senior Class of 2012

These last four years have come and gone away to fast. High school has been an amazing expierence for us all. we have overcome every struggle that has been tossed at us.

Our freshman year we survived with being the "new kids" in the school. That year we struggled with our first Booster day. The float theme was "Fairytales", where we chose "Little Red Riding Hood." We walked behind our Knight Topher Gordon and our Lady in Waiting Jolina Blier. We did out beat all the other classes with our amazing song. Without the help from our advisors Mrs. Vachula-Curtis and Ms. Machon we wouldn't have known what to do. That year we also struggled through all of the "Chop" drama where we lost our fight song that has been played for years. A group of us survived dealing with the upper classmen on the Band Trip to Hershey, PA which was one of the best fun filled memories we got to enjoy that year.

Our sophomore year began with a new advisor, Ms. Jetzon. The Booster Day theme was "Board Games" and we chose *Operation*. We survived walking through the cold and rainy weather that year following our Duke Corban Mailloux and our Duchess Alicia Hathaway. Our song was again the best in the school, it went to "Baby Got Back". Almost everyone enjoyed playing SET! with the Big L's geometry class. That year those in the band and chorus finally got to go to Six Flags for the band trip that year.

Junior year was a great year. After a new class government was elected everything got better. The theme for Booster day was "landmarks", we chose the Hollywood sign. We walked behind our Prince Sam Caouette and Princess Shawna Williams. Even though we thought our song wasn't that good it was still the best. It went to the tune of "Billionaire." That year was awesome from the beginning , with the class riot in the gym. Through all that happened with our class, Alicia Hathaway and Angel Renaud pulled off an amazing prom at The Garden House at Look Park in Northampton. We had a great lock-in night towards the end of this year which made our class become stronger.

Senior year started off with a Bang. The Booster day theme was "Classic Video Games". Our *PACMAN* float finally won and our King and Queen were Corban Mailloux and Haley Ozdarski. Our final class song to "Ice, Ice Baby" was one of our best. This year was full of wins, the girls dominated in the Powder Puff game against the Juniors 20-0, the boys soccer team became 1st league champs in TF history, and football obtained the first home win in 30 years on Turkey day! This year was full of lots of stress from all of the college applications, signing up for the military, FAFSA forms, and scholarships. This year was also full of stress from all of the new changes. With the new class schedule, Snowball at the bowling alley, Prom on a boat in Boston, "where did all our teachers go", and GAP, we were RESISTANT TO CHANGE.

We still haven't gotten over the fact that in a few short months graduation day will be here. These high school memories will stay with us forever. Memories like, our beastly class songs, larger than life floats, and all of our other amazing accomplishments. Those memories will stick with us all the way through graduation and the rest of our lives. When we all come back for reunions, these memories will still be with us. Great job 2012! We finally finished.

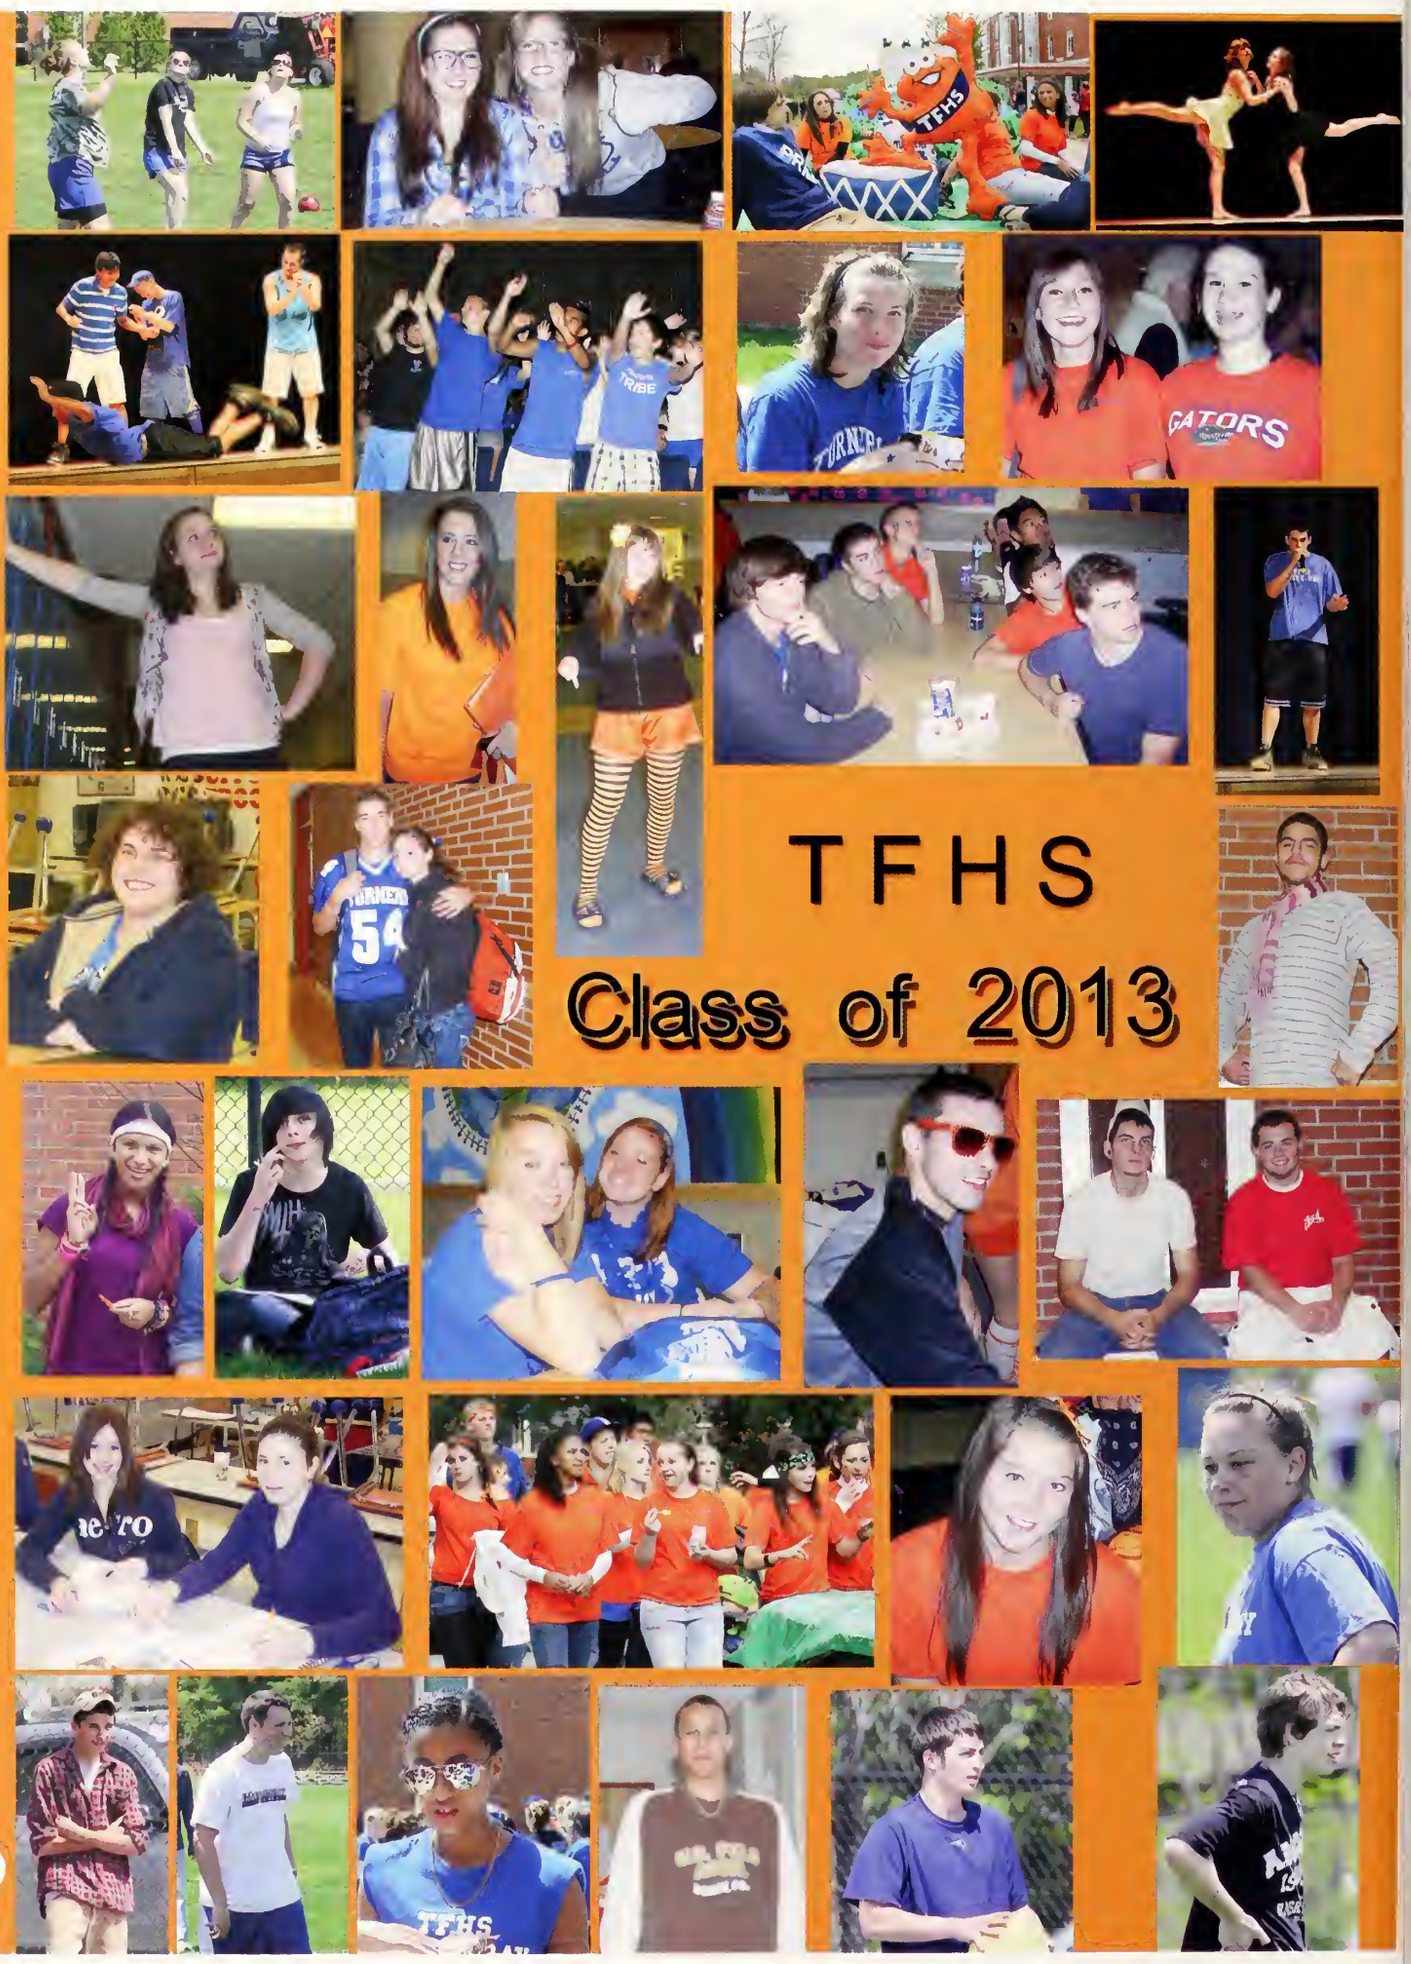
This past year has been the bomb diggity for the class of 2013. we had many exciting events take place, including booster day, planning prom, fundraisers and National Honors Society. Our year started out with booster day festivities. Student council decided the theme would be classic video games and we chose Frogger. We tried out best, but we'll come out on top next year. During the parade and at the rally, we showed our school spirit and cheered on our Prince, Brandon Lenois, and Princess, Bethany Laramie. Then, we supported our football team against Frontier. Later in the year, the junior girls competed against the Senior girls in the annual Powder Puff football game to raise money for Habitat for Humanity. The junior girls put up a good fight, which ended with the seniors winning in the closest game ever. At the annual Snowball dance the junior class had the two best dancers in the competitions, Preston Chabot and Riley Howe. As the year progressed, we started to plan more for Prom, which we would host for the seniors in the spring. We already booked the Odyssey cruise ship as the venue, and we started to focus on the details such as the gift and theme we wanted to make it an enjoyable experience for everyone we also worked on our fundraisers, in the Fall we sold our annual mums and in the Winter we started to sell candy cane grams, both were very successful. Along with the prom and fundraisers, many of the juniors were hoping for their acceptations into the National Honors Society. Three students who submitted the applications were inducted into NHS. This year has been both successful and exciting for the class of 2015. We have grown closer as a class and are looking forward to an exciting, fulfilled, senior year!

JUNIOR CANDIDS



TFHS Class of 2013

Sophomore
Class of 2014

The Sophomores : We are already half-way through high school and our class is growing closer with all of our activities and events. We were involved in many events this year, and they all were even more enjoyable then last year. We worked together on many fundraisers and participated in many activities and events. For example…

Fundraisers : Our class again chose Pierce Brothers Coffee and Hot Chocolate fundraiser as our winter fundraiser. The orders were delivered to family, friends, and teachers the day before winter vacation began, so that they would enjoy their coffee and hot chocolate during the Christmas season. The next fundraiser was our Pizza and Cookie-dough fundraiser which was the same one we chose last year. And finally, our large fundraiser in the spring was decided by our fundraising committee.

Float Making : This year's theme for float making was "Classical Video Games," and with a full class voting session, the one with the most votes was the original *Super Mario Brothers*. For 2 weeks many of us worked our very best to build a wonderful float. Everyone did a fantastic job.Booster Week : Booster Week was very interesting this year…Monday was Inside-Out day, Tuesday was Blast from the Past, Wednesday was Animal day, Thursday was Class Color day (we all wore with pride our class red), and Friday was Blue and White day.

Booster Day Rally : As always, the rally sent our excitement skyrocketing! The MC's for the rally were Summer and Tenzin. They told very funny jokes. And Tenzin even gave a presentation of "Teach me how to Dougie". Overall, everyone had a great time. Our Duchess and Duke this year was Morgan Ozdarski and Tyler Richardson. Turkey Day Game : Early morning on Thankgiving day, our football team faced off against Greenfield on our home field. The school community, family and friends, cheered along with our cheerleaders for our football team. The final score was close: 7-6. But it was Turners who won on Booster Day : We all marched in the parade through the streets as an energetic group of classmates wearing our class red. We cheered as loud as we could, and presented our beautiful float. We didn't win this year, but we did manage to earn 2nd place, which was an amazing improvement.

Turkey Day Rally : Before the big game on Thanksgiving day, we all gathered to support our football team, football coaches, and cheerleaders for a phenomenal season. We also enjoyed music from the band and a performance by the dance team.

Unity Day : Unity Day this year was enjoyable and full of fun. The talent show started us off with amazing talent. That led us right into the activities and games.

All in all we had a wonderful Sophomore year. Together as Sophomores (soon to be Juniors) our future together has never looked brighter.
Greenfield for the first time in a long time on our home field.

Snowball : The Snowball this year was quite enjoyable. On December 7th, the Snowball was held at the French King Bowling Alley. We took over the entire banquet room with classmates, loud music, and delicious food. A wonderful time was had by all.

I don't know what I would do without you!
Love You,
Noni

Sara
We can't believe that our baby is graduating already. Boy does time fly by. When you were growing up you were so shy and didn't have much to say. Now you are slowly, but surely starting to become more outgoing. We are so proud of your accomplishments and how hard you work in school. You are such a sweet and caring person and have a good head on your shoulders. Always know that with a positive attitude you can do anything. Take this time to enjoy yourself and know that we will be there for you no matter what life brings. Work hard and follow your dreams and remember that your Guardian Angels will be watching over you always!!
We love you baby bear!!
Mom & Dad

Sara,
My little baby sister! I know everyone says this but I really can't believe you are graduating. I know we haven't always been close but that Mom and Dad's fault for not having you a few years sooner. But no matter what I will ALWAYS love and support you. And I will never put scary stuffed owls and penguins in front of my door to keep you away again....but you may not want to discontinue your closet inventory because you do have some cute stuff that fits me well. Love you sister bear; don't be afraid to do big things.
XOXO,
Erin

Sara
Believe you can and you're halfway there. you can accomplish anything you put your mind to...never give up on your dreams

Congratulation Quincy,
I can't believe you're graduating already. It seems like just yesterday you were our little Boo Bear. Words can't describe how proud we are of you. You truly are an amazing young man. I only hope that one day you will realize why we were so hard on you and pushed you to be better than just average. You are so much more then that by far. Remember to always believe in yourself and follow your own path in life.
Love, Mom, Dad

Shawna Lee,
You definitely grew up way to fast. I remember when you had your first loose tooth and I pulled it out. You were crying until I showed you the tooth then you were all excited and all smiles. And ill never forget that day with you and Courtney on the back of my truck. I thought you yelled you were ready so I stepped on the gas and you two went flying. You landed face first into the ground and butt straight up in the air. I thought for sure you would be crying but you came up laughing and wanting to do it again. And mom running down screaming, and mad but you guys loved it. Now your driving and graduating high school and picking out a college. I am so proud of you and I know you have a bright future ahead of you. And even though your growing up and becoming a young adult you'll always be my little Goober I Love You! And congrats Goober!

Haley! I can't believe you are graduating this year! High school won't be the same without you! I won't be able to ask you for money when I forget, make funny faces at you when I see you in the hall, go on Cumby runs, or blast music to and from school! We have had so many fun times together, and even though you will be in college next year, I am still only a phone call and twenty minutes away. We always laugh over the stupidest things, even if it is one of your puns. This past year has been so fun, from sleepovers, softball, and vacations! Yu are going to have an awesome time at college and I wish you the best of luck!

Love, Morgan
